

DECEMBER 2019

HAPPY HOLIDAYS!

From all of us at Chic Time

TO A HAPPY, HEALTHY, AND PEACEFUL NEW YEAR

"There's only one thing more precious than our time,
and that's who we spend it with"

-Leo Christopher

It is always this time of year that we take a step back and reflect on all the good things we experience over the year. We at Chic Time are reflecting on our times with our families and friends (and dancing the night away with our girlfriends at Chic Time).

We hope you find time to reflect on the times spent with your loved ones this season, and enjoy the moments around the table or tree with those people now.
